

## Structured Settlements: Marketing to Attorneys

Brainshark Issue: #2

March 2011

Dear Cara,

In this edition of the Brainshark Training for Structured Settlements, we will review some key points regarding important aspects of marketing to attorneys. Learn how you can effectively utilize structured settlements to grow your business.

### Marketing to Attorneys

Attempting to market your services to attorneys can lead to plenty of frustration. They tend to be extremely busy, under constant pressure, with many people vying for their time and attention.

You'll only have a small window of opportunity, so you'll need to make the most of it!

Click here to learn how you can *effectively* partner with plaintiff attorneys to assist their clients with planning for their financial future:
