

DIVISION OF MARITAL ASSETS

Structured Divorce Settlements

AVITAS has pioneered a new and innovative way to divide marital property that brings tremendous benefit to all parties. Each spouse ends up with more money, security and predictability. With all of the uncertainty surrounding asset divisions, let AVITAS show you how to leverage the structured settlement platform to bring a wealth of benefits to individuals going through the difficult process of divorce.

Professionalism and Expertise

AVITAS brings a combination of legal and financial expertise to Matrimonial Law professionals throughout the country. Our mission is to help assist all parties in resolving property disputes by leveraging our over 30 years of experience with structured settlements. AVITAS works to incorporate planning and design of estate divisions, and routinely participates in Mediations and Arbitrations, helping find a clear path to resolution.

AVITAS has many relationships with Tax Attorneys, Valuations specialists, Financial Services firms and major Life Insurance Companies. We bring all of the necessary resources to the proceedings and facilitate a plan designed to maximize benefits for all. This orchestrated approach is unique in the industry, and sets us apart from all other settlement planning firms.

Helping Attorneys and their Clients

AVITAS brings a unique perspective and proprietary solutions to Family Law proceedings. Our innovative estate division planning and litigation support services bring value to attorneys attempting to finalize cases. Our comprehensive approach and independent positioning helps all parties recognize the value of utilizing a structured divorce settlement.

There are no fees paid to AVITAS, and we are happy to work with you to discover if our solutions can help.
