

MAINTENANCE AGREEMENTS & CHILD SUPPORT

Pre-funded Plans

AVITAS has pioneered a new and innovative way to fund future Maintenance Agreements and Child Support obligations. The paying spouse can save money in exchange for much greater security, certainty and predictability. With the lack of security inherent in these arrangements, AVITAS can illustrate how to leverage our structured settlement expertise to bring benefits to all individuals dealing with these difficult issues.

Professionalism and Expertise

AVITAS brings a combination of legal and financial expertise to Matrimonial Law professionals throughout the country. Our mission is to help assist parties in financing future payment obligations by leveraging our over 30 years of experience with structured settlements. AVITAS works to find a clear path to resolution that benefits all.

AVITAS has partnered with Tax Law Firms, Valuations Specialists and major Life Insurance Companies to develop this new concept. We bring all of the necessary resources to the proceedings and facilitate a plan designed to maximize benefits for all. This orchestrated approach is unique in the industry, and sets us apart from all other settlement planning firms.

Helping Attorneys and their Clients

AVITAS offers a unique approach and proprietary solution to Family Law proceedings. Our innovative settlement planning and litigation support services bring value to attorneys attempting to finalize cases. Our comprehensive approach and independent positioning helps all parties recognize the full value of utilizing a pre-funded arrangement to satisfy these future obligations.

There are no fees paid to AVITAS. We are happy to work with you to discover if our solutions can help.
